PLANS AND PROGRAMS STAFF WEEKLY REPORT FOR  
PERIOD ENDING 20 JULY 1983

1. Progress Report on Tasks Assigned by the DCI/DDCI:

No tasks assigned during this reporting period.

2. Items or Events of Major Interest that have Occurred During the Preceding Week:

✓ a. [ ] (P&PS) and [ ] (C/SAB/P&PS) attended the first session of the Workstation Environment Working Group, one of six committees that will serve and support the Information Systems Board. This Board, chaired by [ ] will plan the systematic development of Agency-wide information handling methodologies for the next decade. The evolution of ADP systems and associated word processing techniques will receive primary attention. The Board and its groups are staffed by senior personnel from throughout the Agency. The content of this Group meeting was introductory in nature; its charter indicates a direct focus on identifying the workstation (CRT terminal) configuration of the near future. (More specific details of this project are available in P&PS.)

b. LIMS

✓ (1) Key personnel of OL and OF (including Office Directors) met on 15 July to discuss OF concerns on the current status of project detailed requirements. An MFR on the meeting's content has been prepared by P&PS.

(2) On 13 July, QAG/ODP provided an overview on the future role of the LIMS User Functional Test Team--a team that will evaluate system software as developed and delivered by BAH in succeeding phases of the project, having participated in the preparation of the System Acceptance Test Plan. The team will be composed of key personnel from ODP, OL, OF, and OIG.

SUBJECT: Plans and Programs Staff Weekly Report for the  
Period ending 20 July 1983

(3) The LIMS Configuration Control Board convened on 18 July to review and pass judgement on system discrepancy reports. Of interest to OL and OF is that the Logistics System Objectives document will be revised to accommodate the need to clarify certain statements contained therein.

c. Regulations Revisions

The following regulations were written, reviewed, commented upon, concurred in, or published during the past week:
